CHURCH WORK AND WORKERS.

The American Bible society last year sent forth nearly 2,000,000 Bibles. Bishop Warren was surprised on his birthday by the congratulatory visit of

68 Methodist preachers and their wives. The official Presbyterian agent among the workingmen, Rev. Charles Stelzle, has undertaken to establish in 500 cities of the country better relations between

the ministry and organized labor. Prof. Benjamin Bacon, who holds the chair of New Testament criticism and interpretation in Yale theological seminary, has been made director of the American school of oriental research in Palestine.

tion is made up of foreigners, "movers"

Dishop Thomas B. Negly, of the Methodist Forcepal church, is planning for the exection of a Protestant church in Panama. He has almost completed negotiations for the purchase of the rules of the church of Santo Domingo. Over two per cent, of the membership

of the Presbyterian church in Japan has gone to war. This is more than twice the proportion of culistments Presinterians are officerajan the army

ADMIRABLE ADVICE.

Go prepared with cau de cologne in case you should receive the shock of the unexpected.

In adversity emulate the iron endurance of the fox, who would be skinned alive rather than cry out. Keep; a stiff upper lip. Never com-

plain except to those you know will help you. In other words, never complain. When you need help (and there some such times to the best of us) go hat of all to those whom you have had occasion to assist.

Goodson Ith: Elin Gum
